

Gareth Casey (the grey viking)

Stunt performer

Gareth Casey is a UK-based stunt performer with a background in elite-level sport and screen combat. A former professional rugby player for Gloucester and England youth, Gareth brings authentic physicality, discipline, and team focus to every production.

With extensive experience in boxing, MMA, and tactical movement, he excels in high-intensity action sequences and roles that demand real power and presence. Trained in on-set firearms handling and on screen driving, Gareth delivers believable, controlled performance under pressure — whether portraying a henchman, soldier, gangster, or Viking warrior.

Known for his professionalism, reliability, and strong on-screen presence, Gareth combines athletic realism with grounded character work. His commanding look and natural toughness make him a go-to choice for gritty, physical, and action-driven productions.
